

PORTFOLIO

ABOUT ME

Hello, my name is Zahir Abdul Rasyid. I am 22 years old. I am Fresh Graduate with a bachelor's degree in Informatics Engineering from Institut Teknologi Indonesia. I am Highly interested in Mobile Development using Kotlin and Flutter & Backend Development using Laravel and have 5 months experience as a Mobile developer Internship. I am also someone who enjoys learning new things, adapts quickly and works individually and in a team.

COLLEGE FINAL PROJECT

Food Delivery App

COLLEGE FINAL PROJECT

Food Delivery App

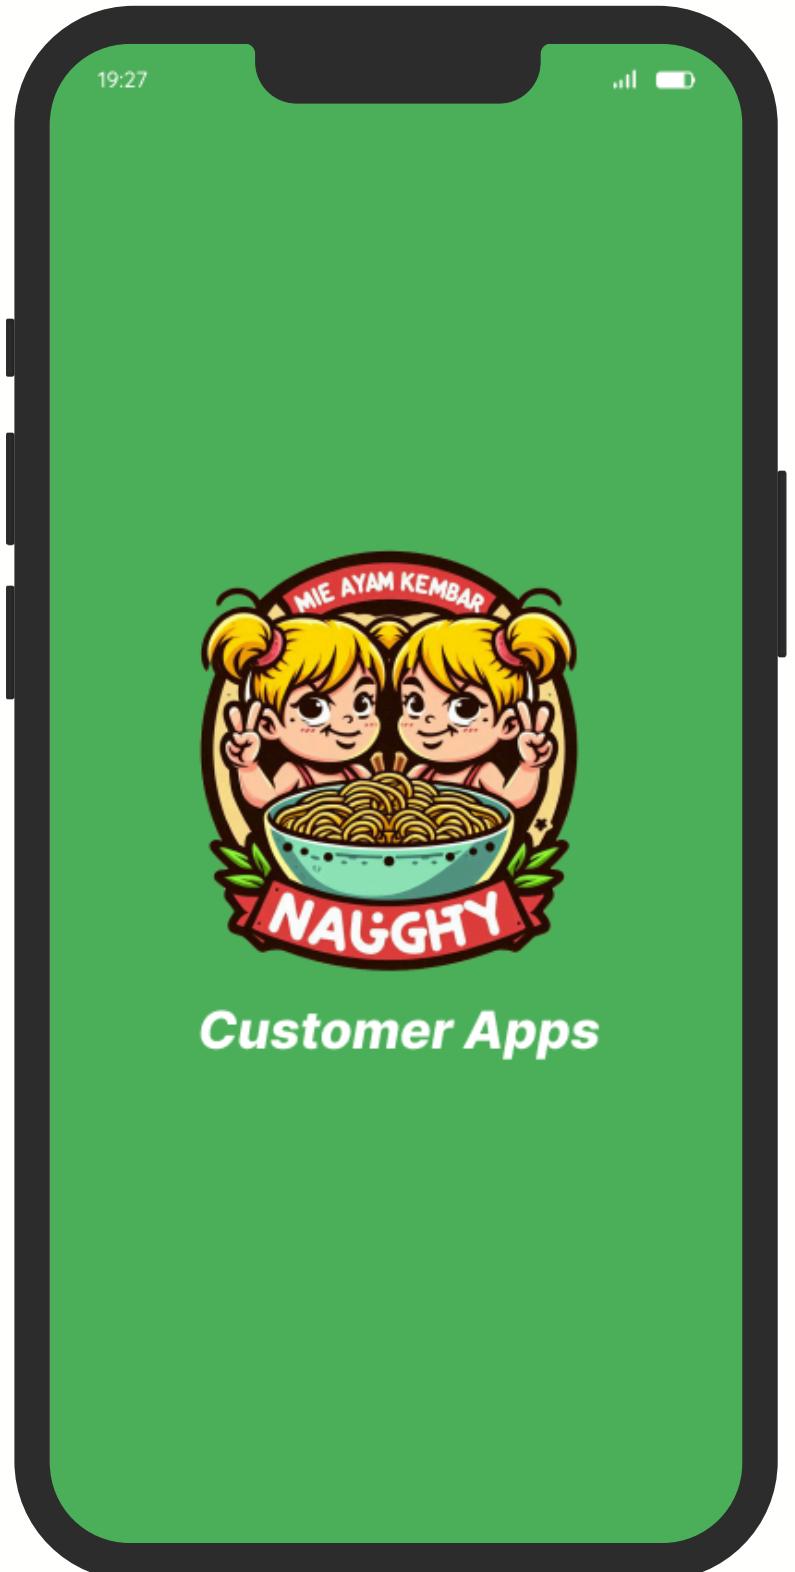

Online delivery service application specifically for Warung Mie Ayam Kembar Nakal. With this application, buyers no longer need to come to the restaurant to make an order, simply by transacting online and the restaurant can also reap more profits.

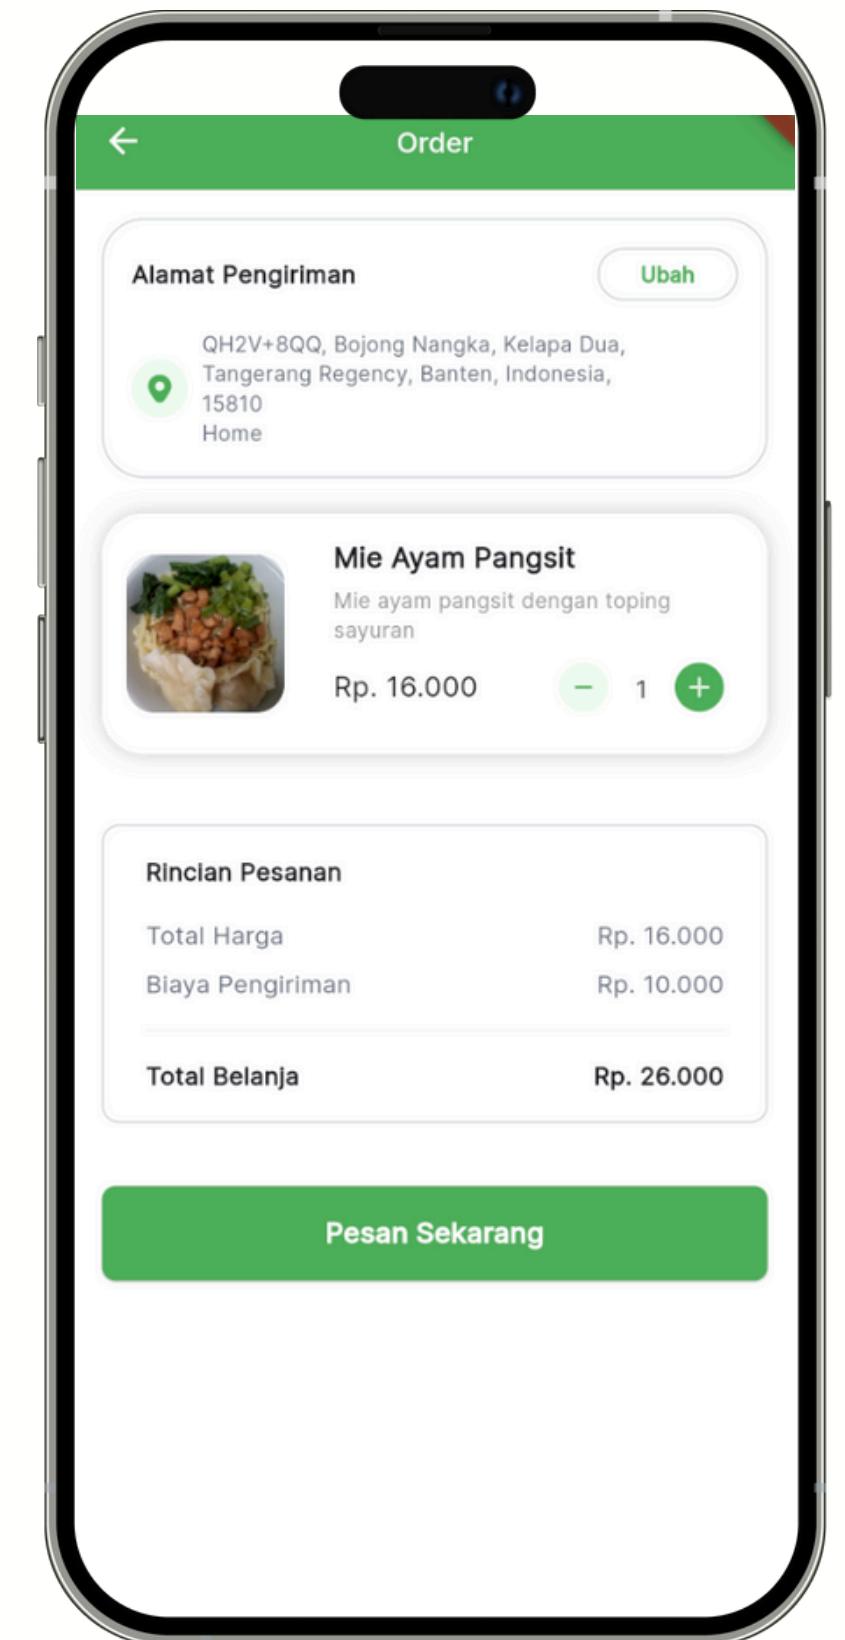

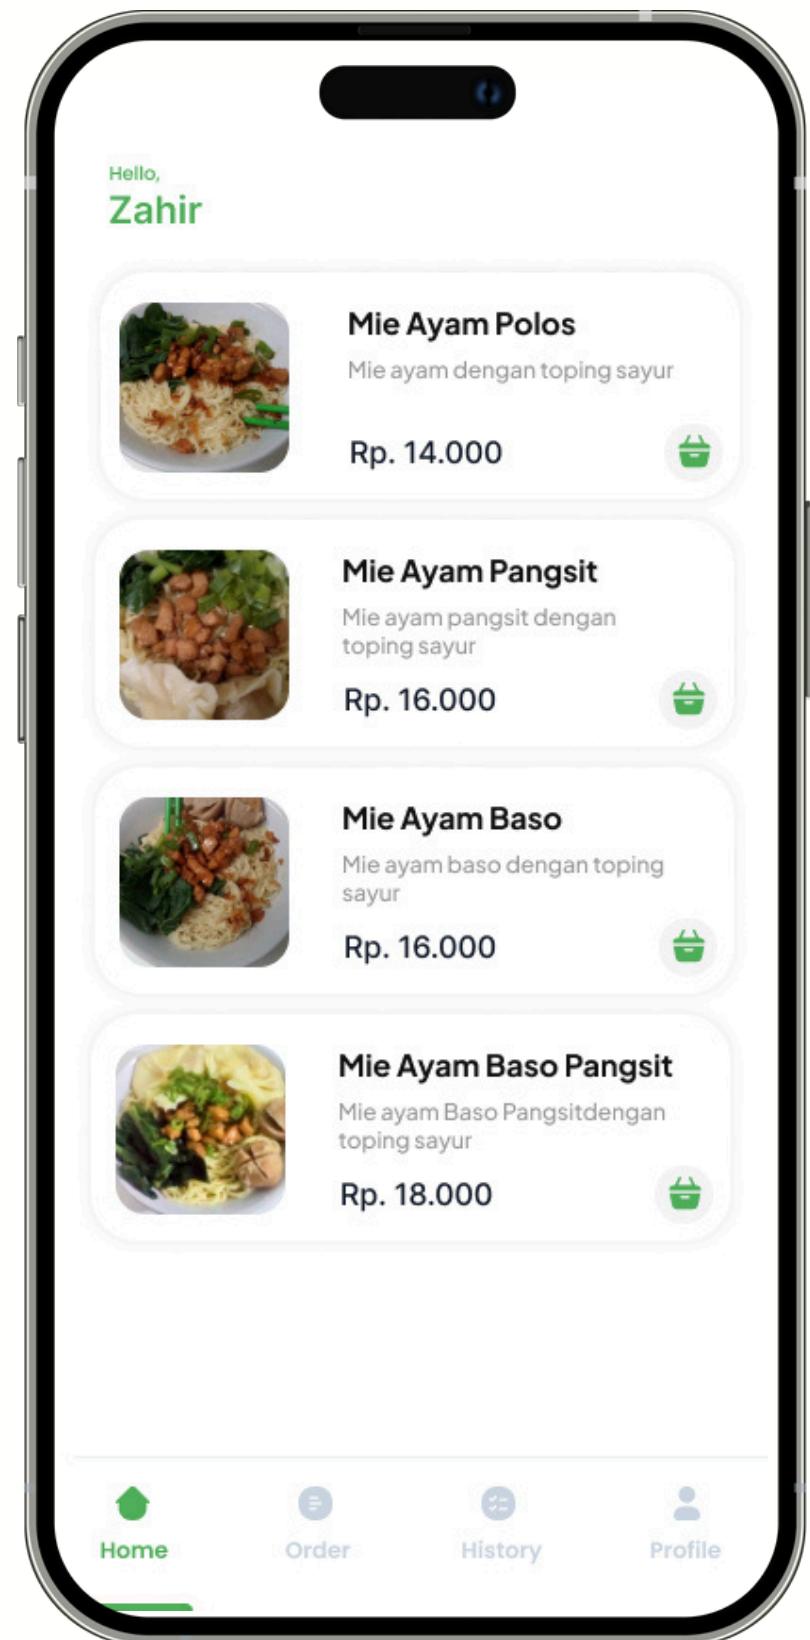

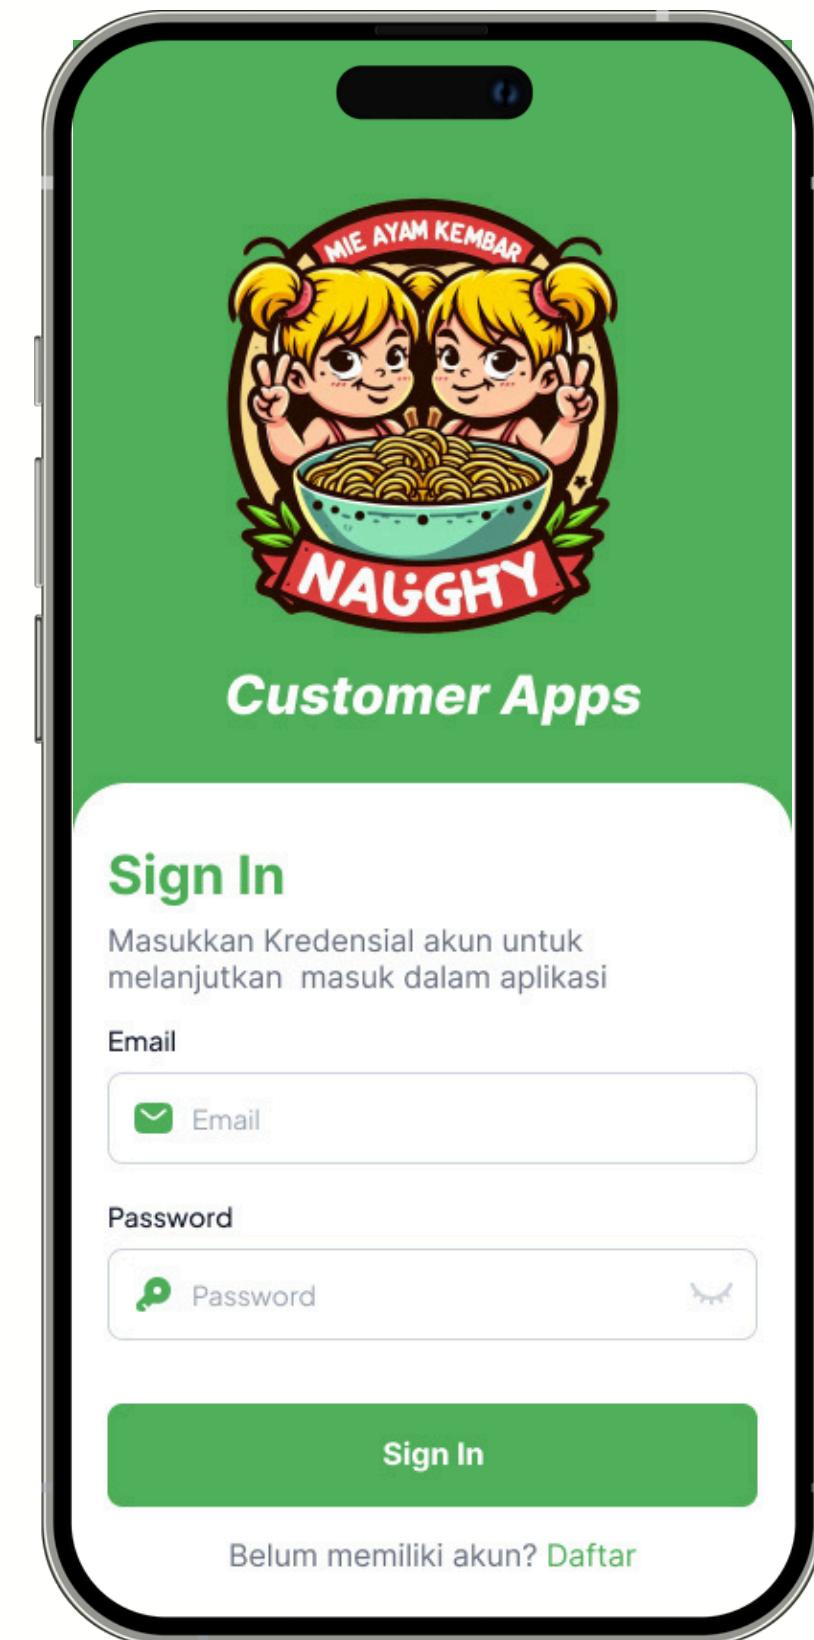

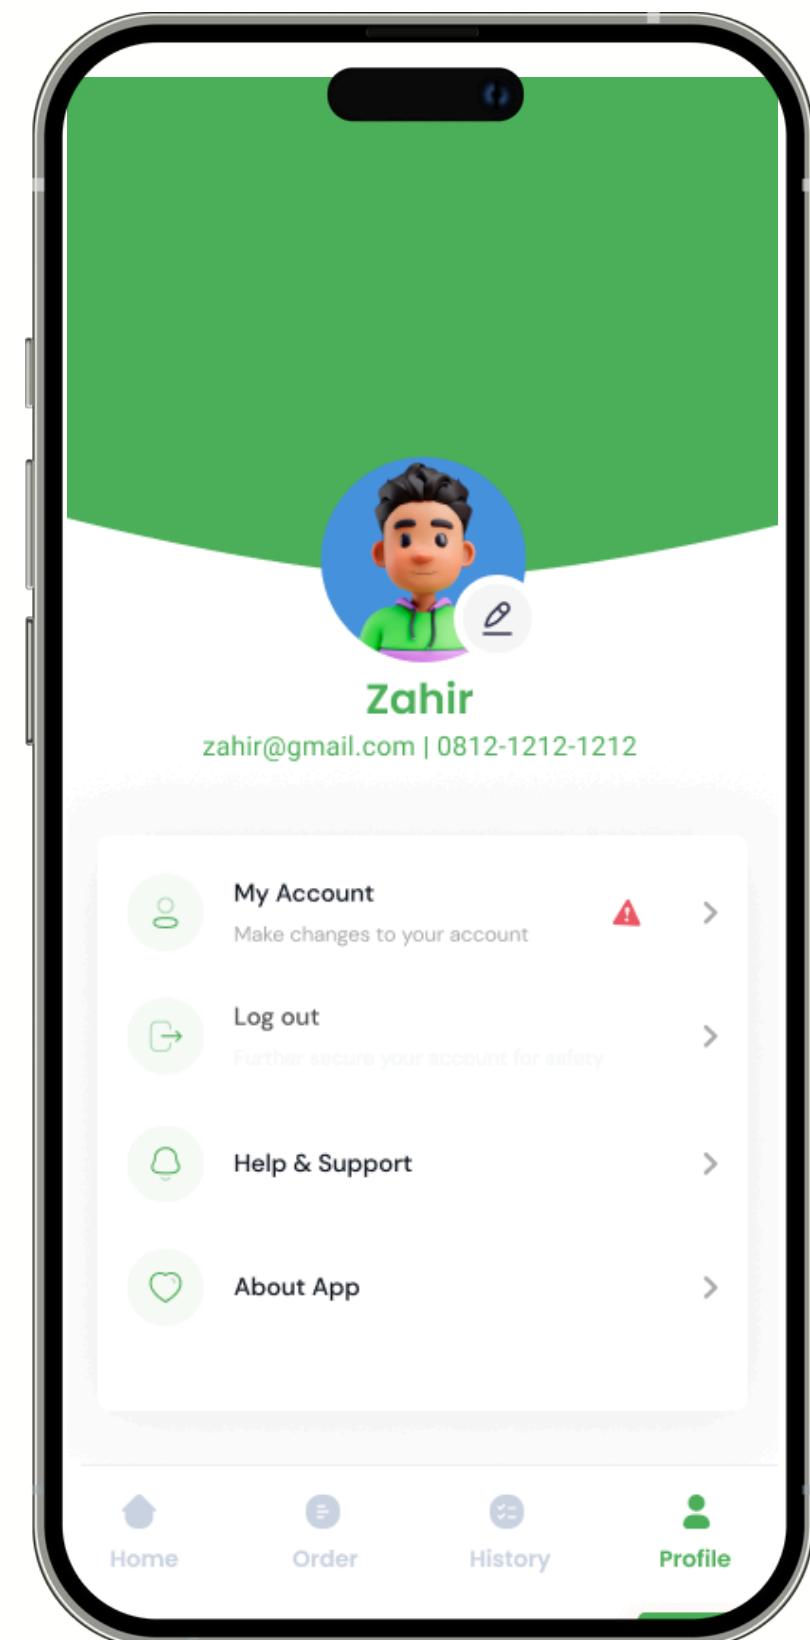

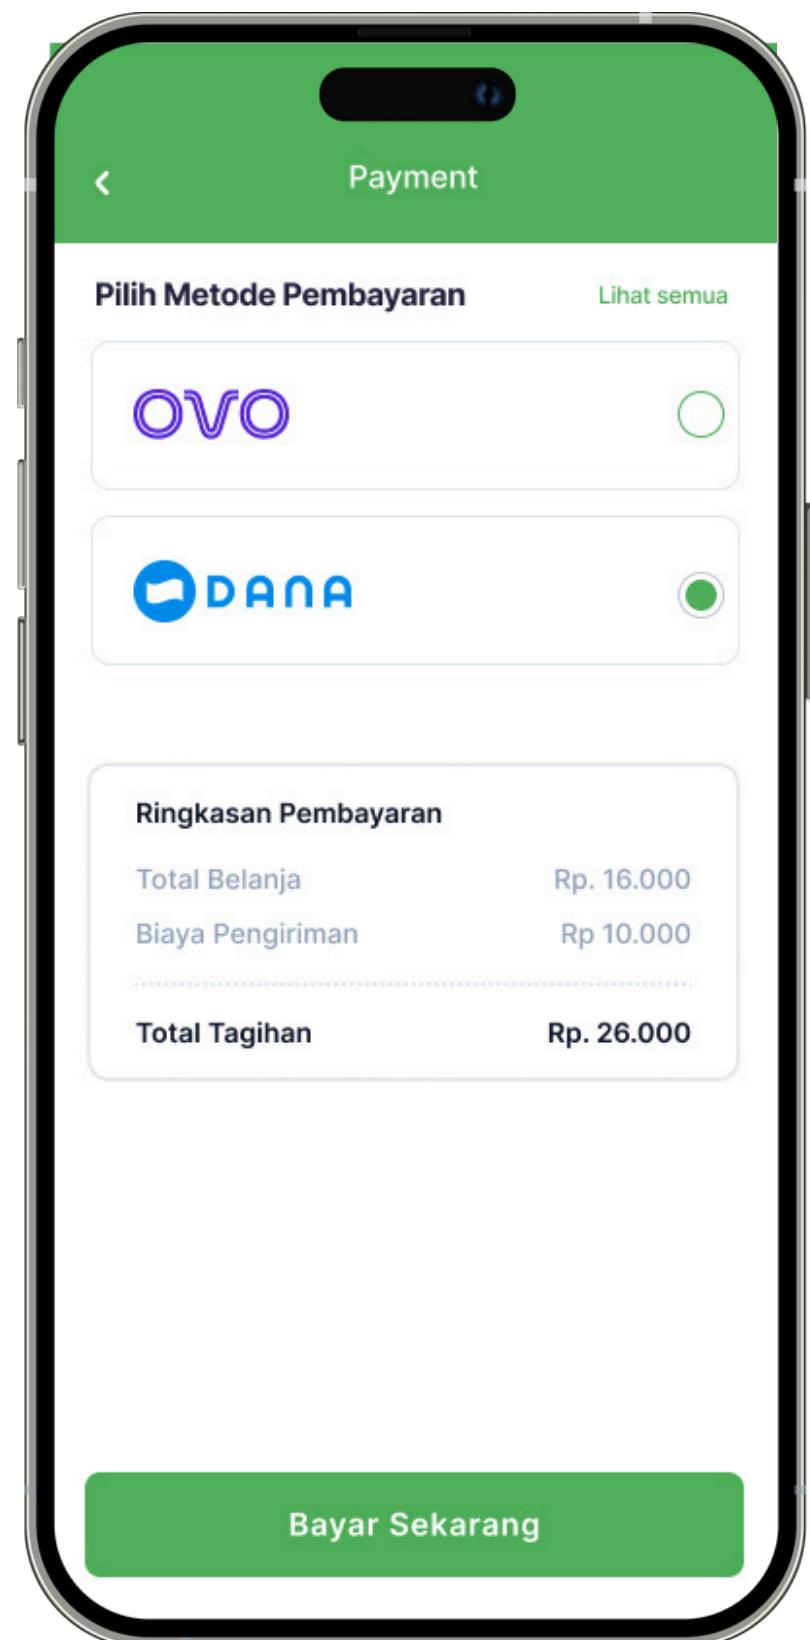

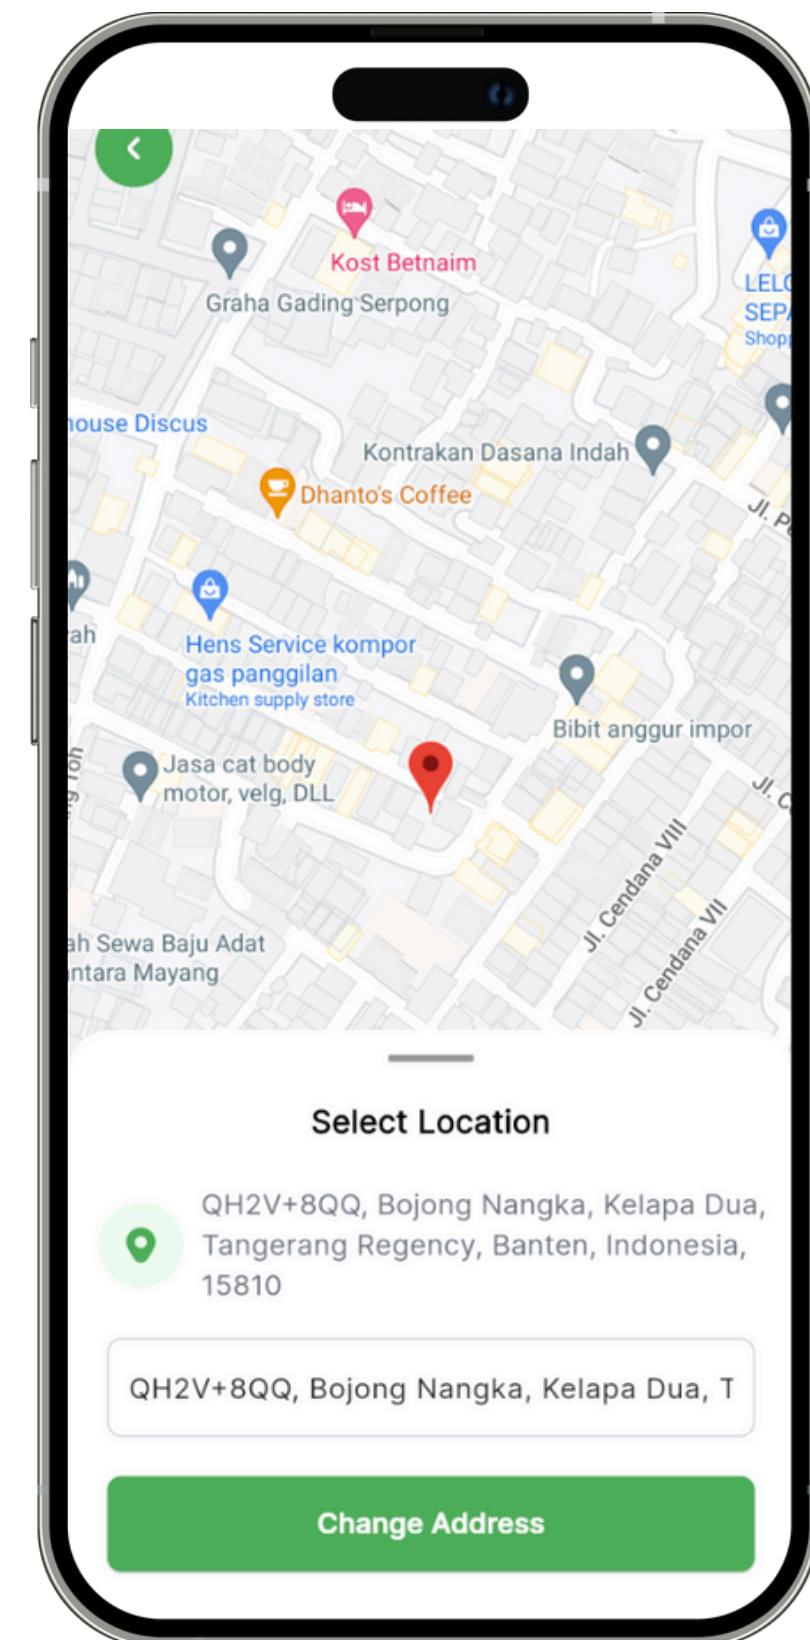

Customer App

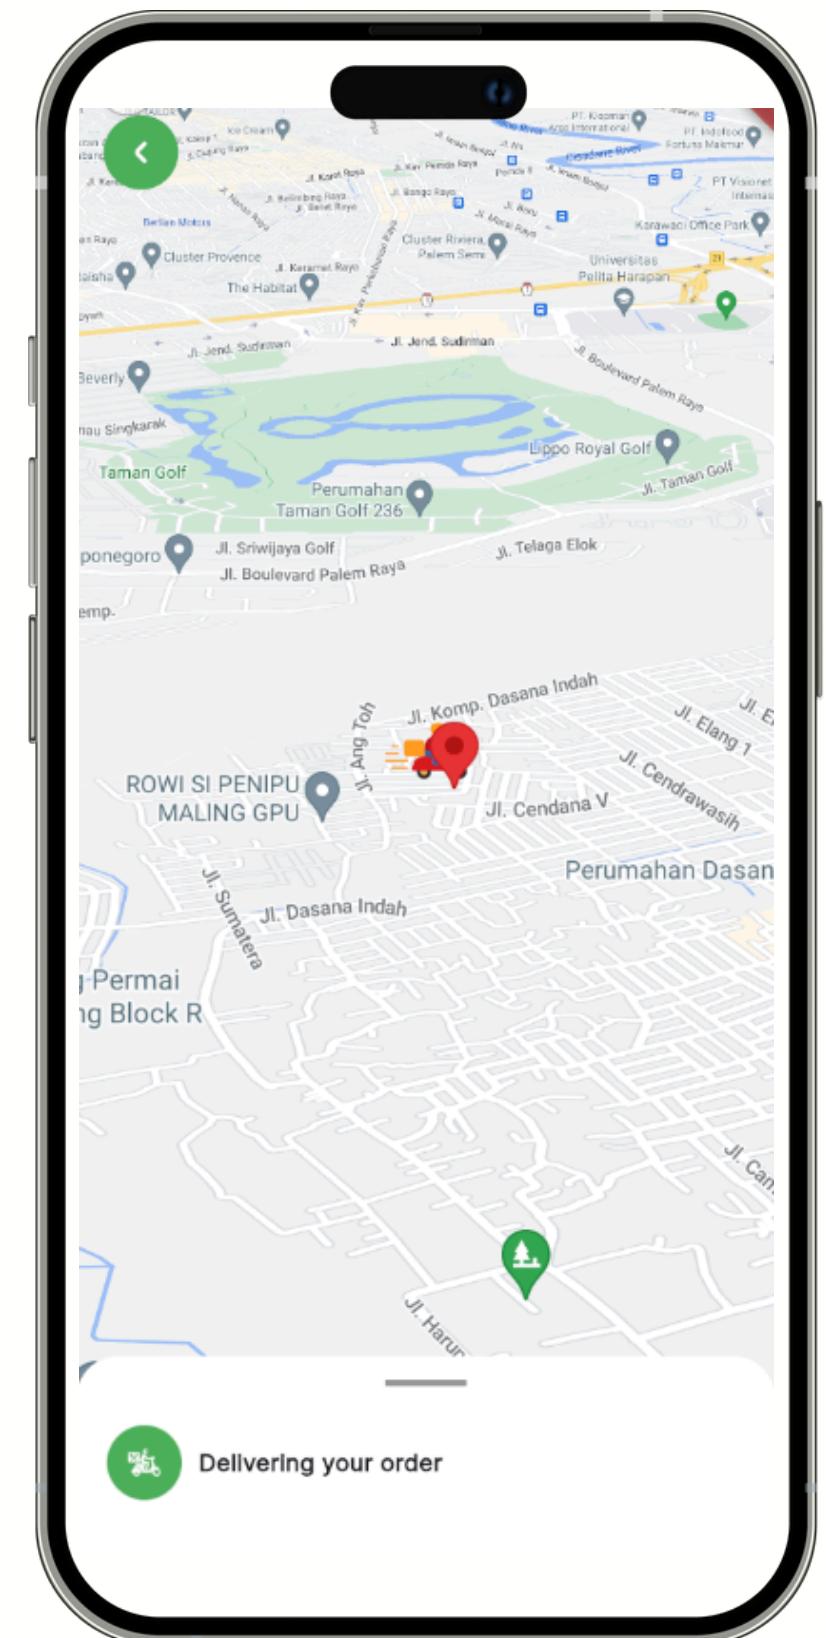

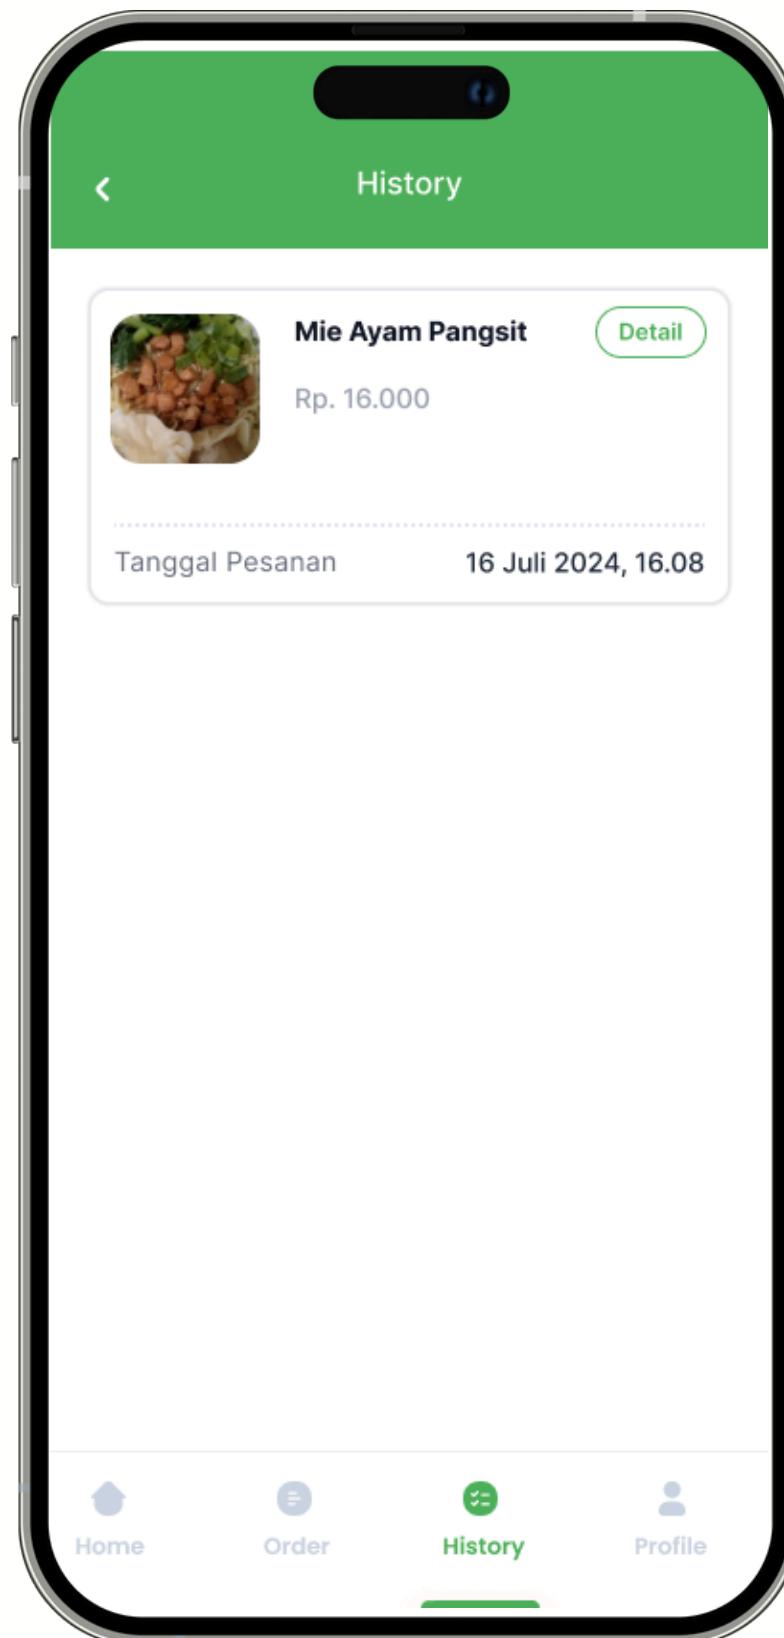

Features

- Cart
- Online Payment
- Order Notification
- History Order & Order Status
- Track Driver Location

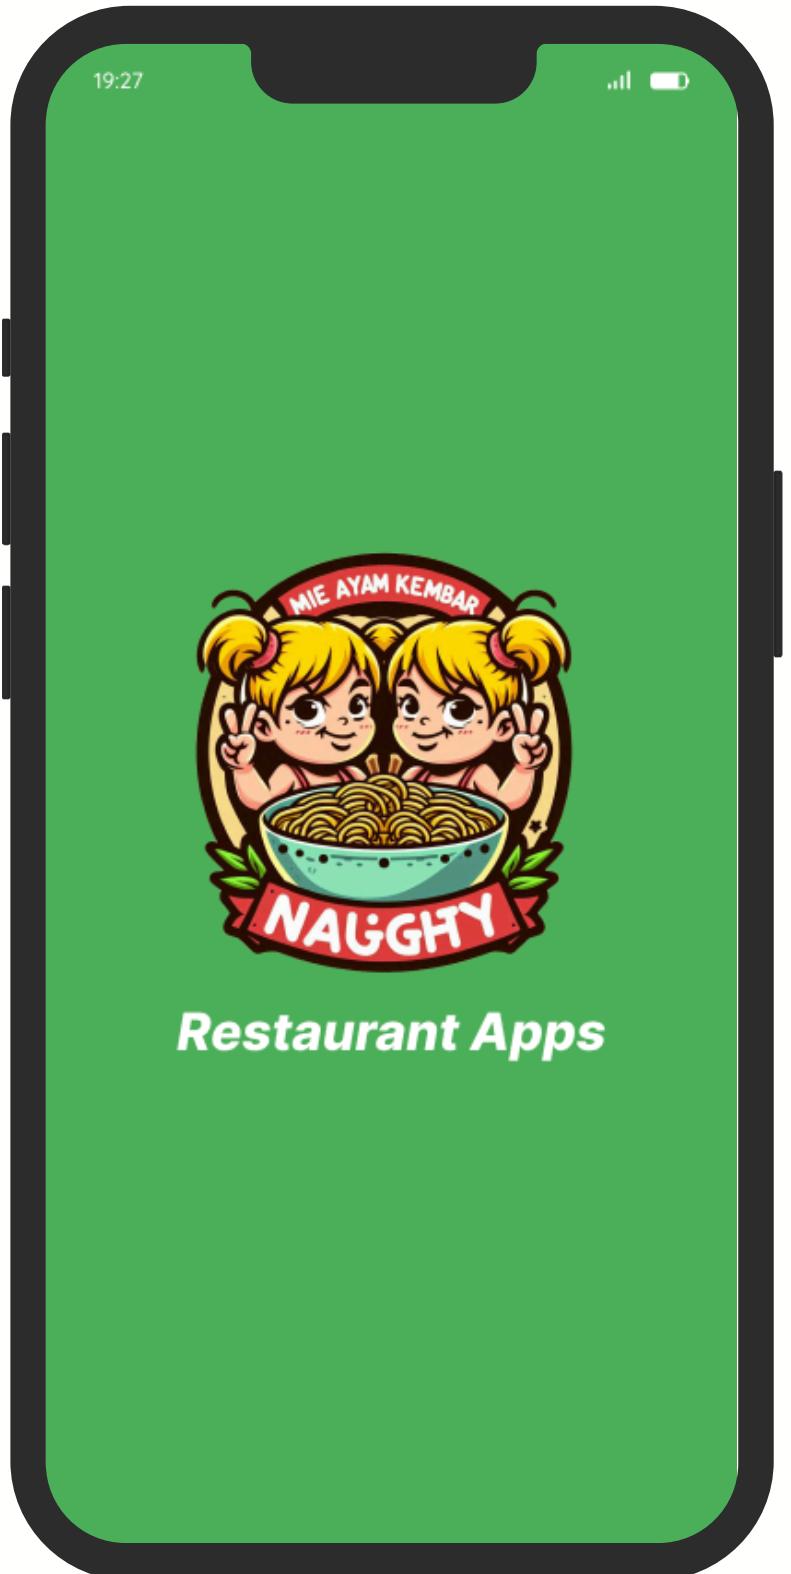

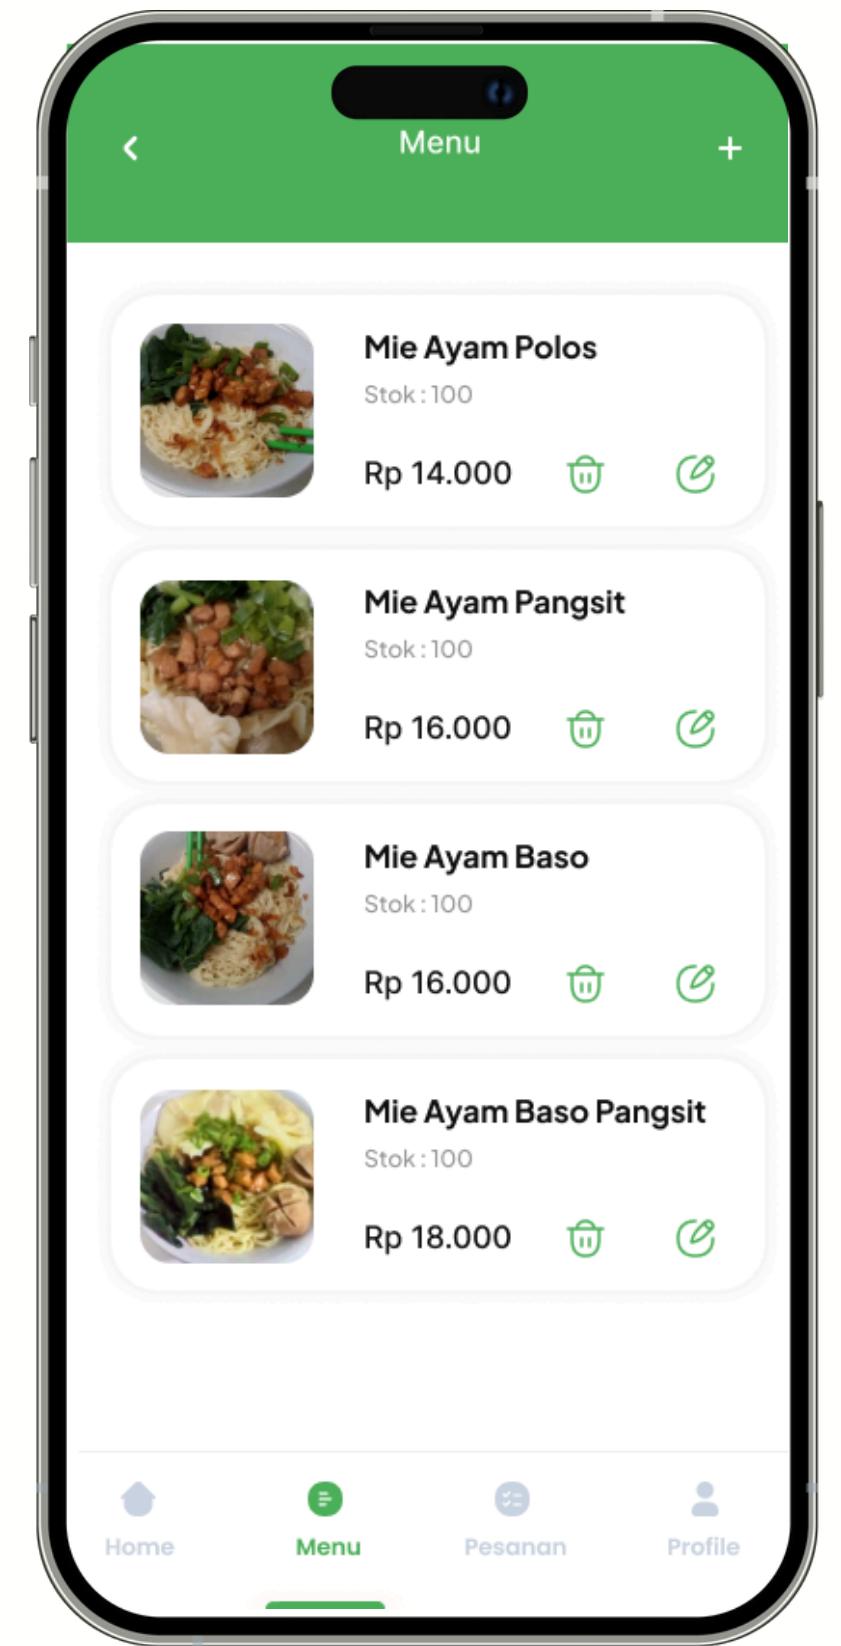

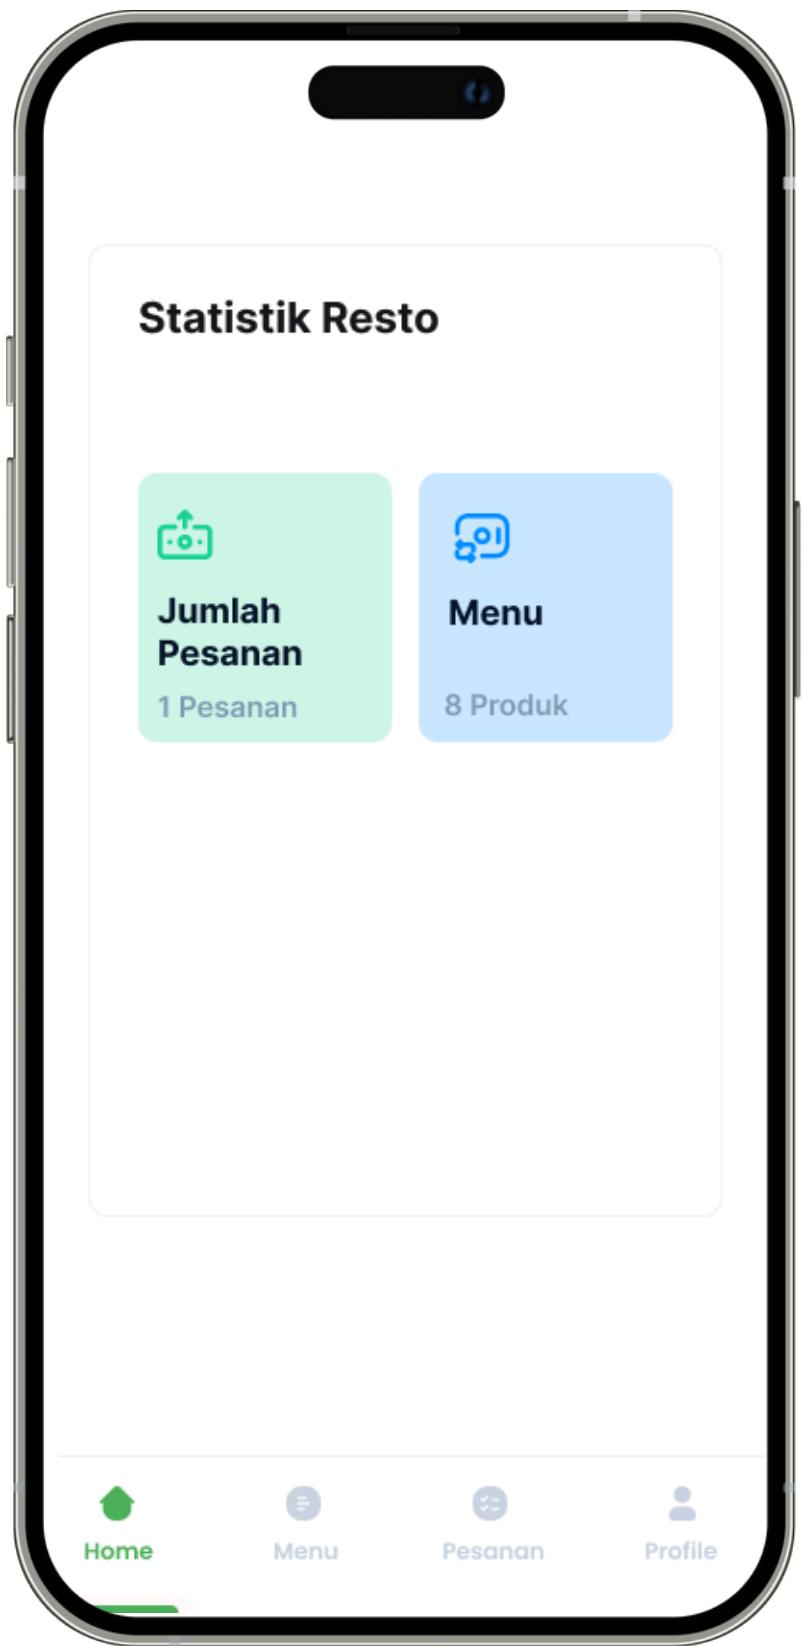

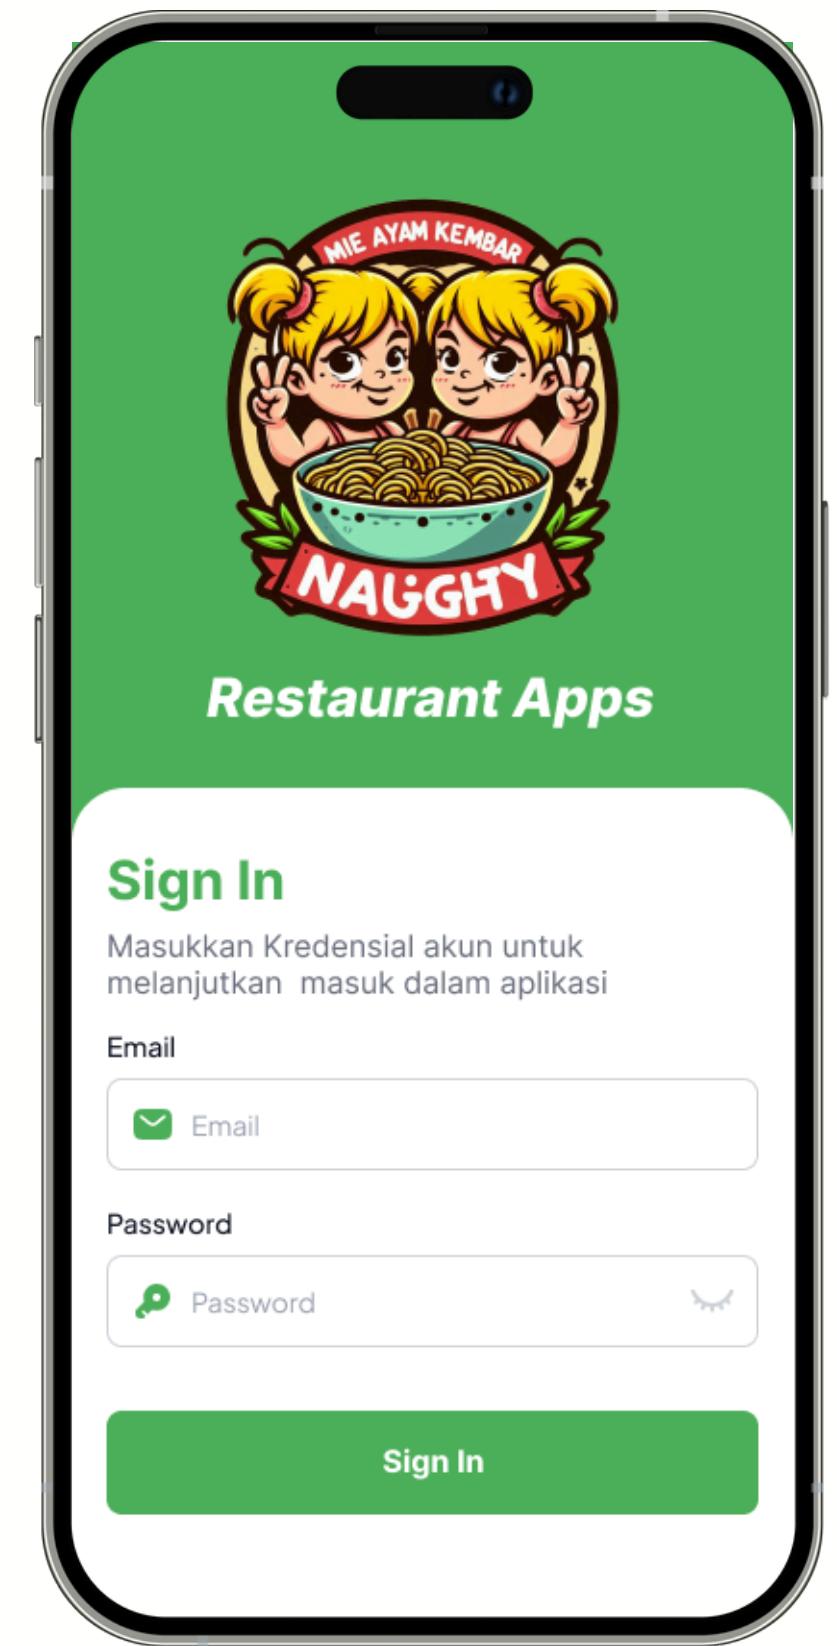

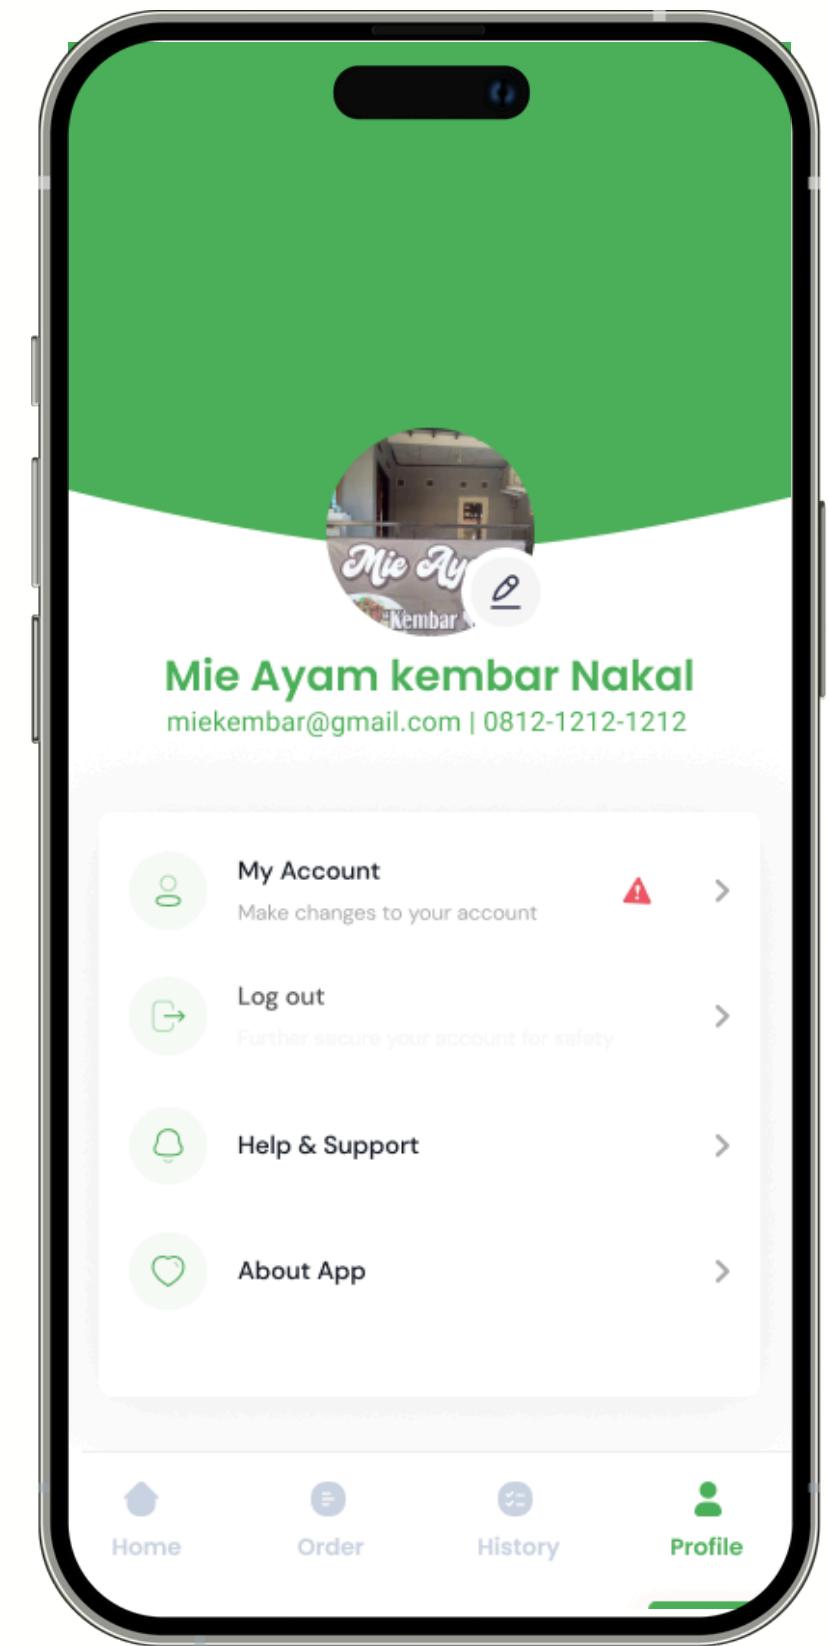

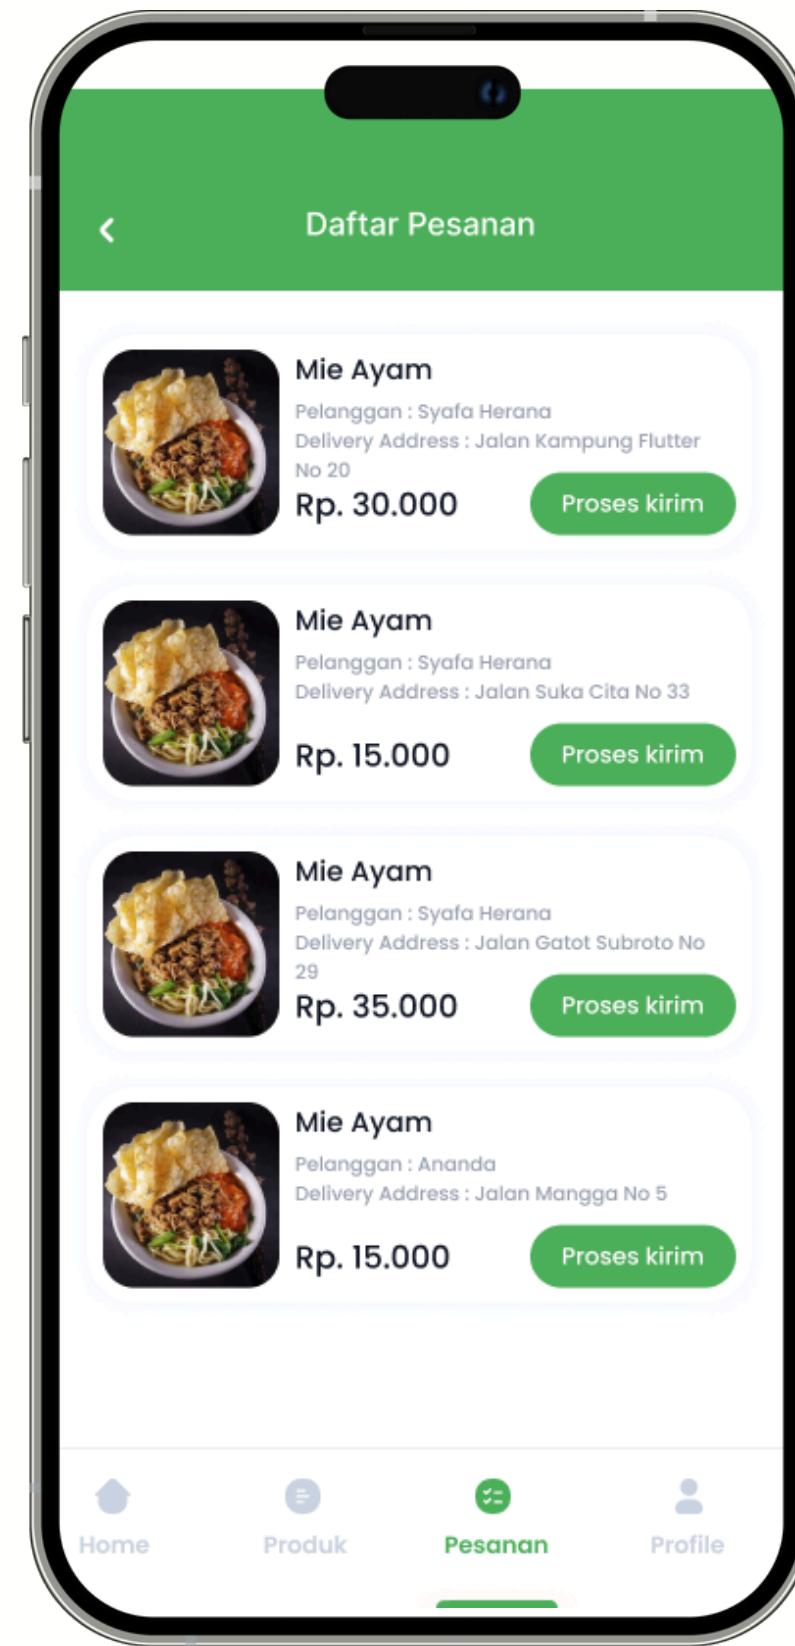

Restaurant App

Features

- Restaurant statistics
- Add, Update & Delete Menu
- List order & Update order status

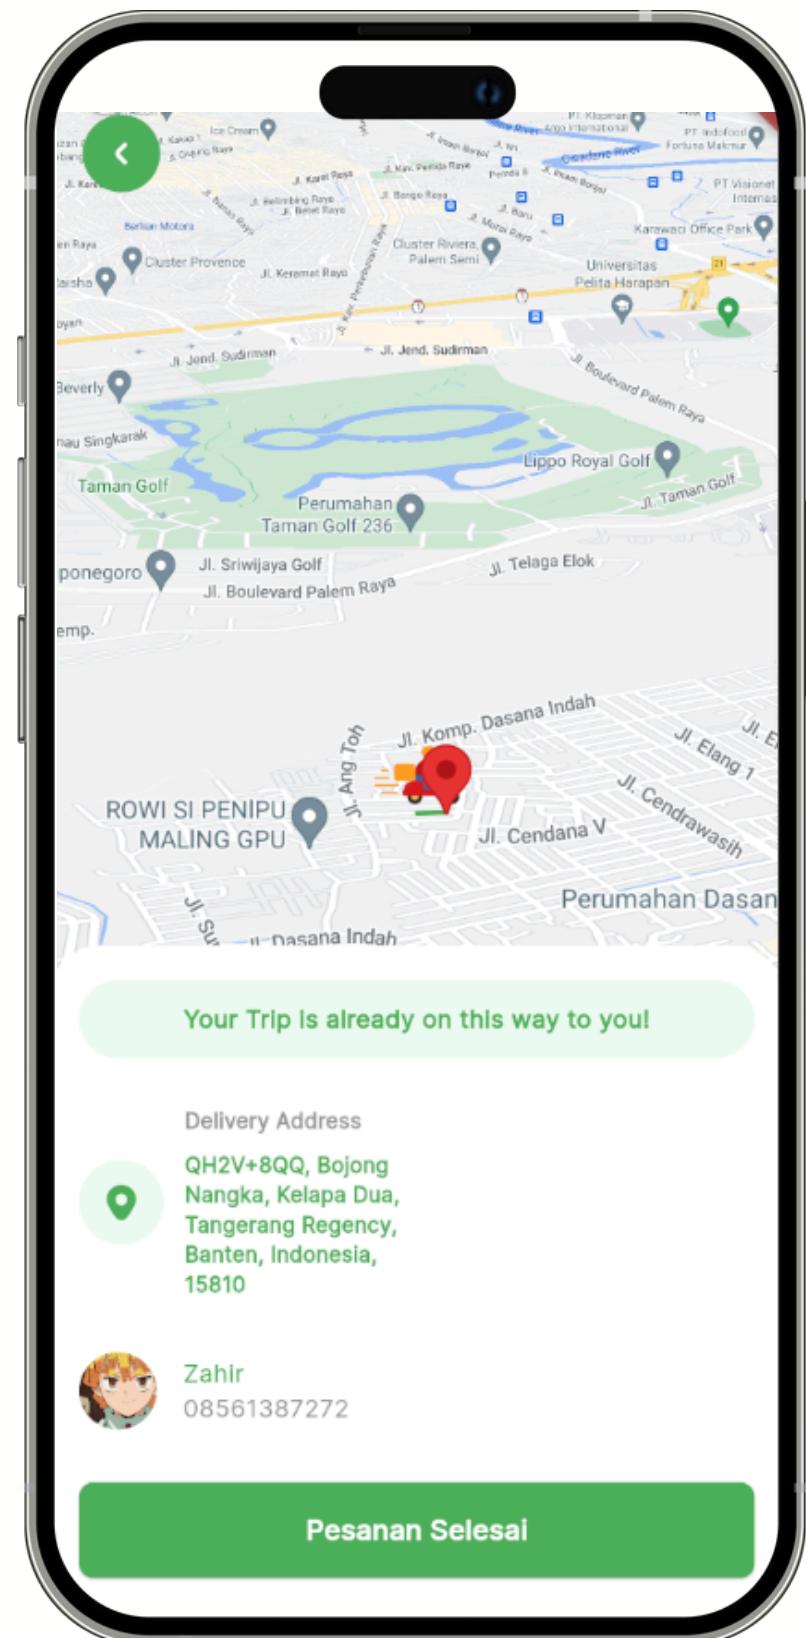

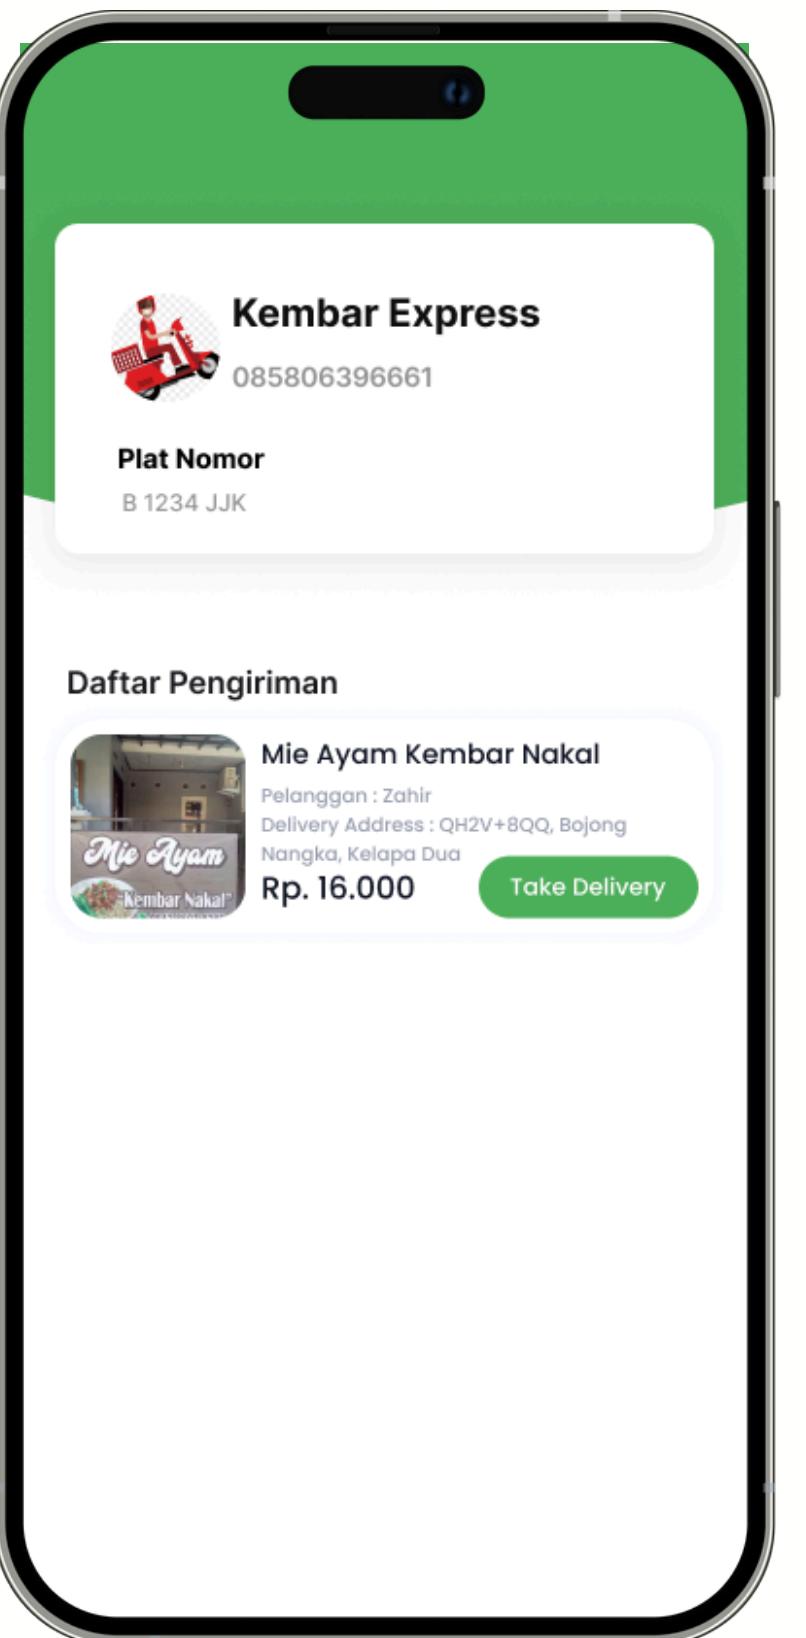

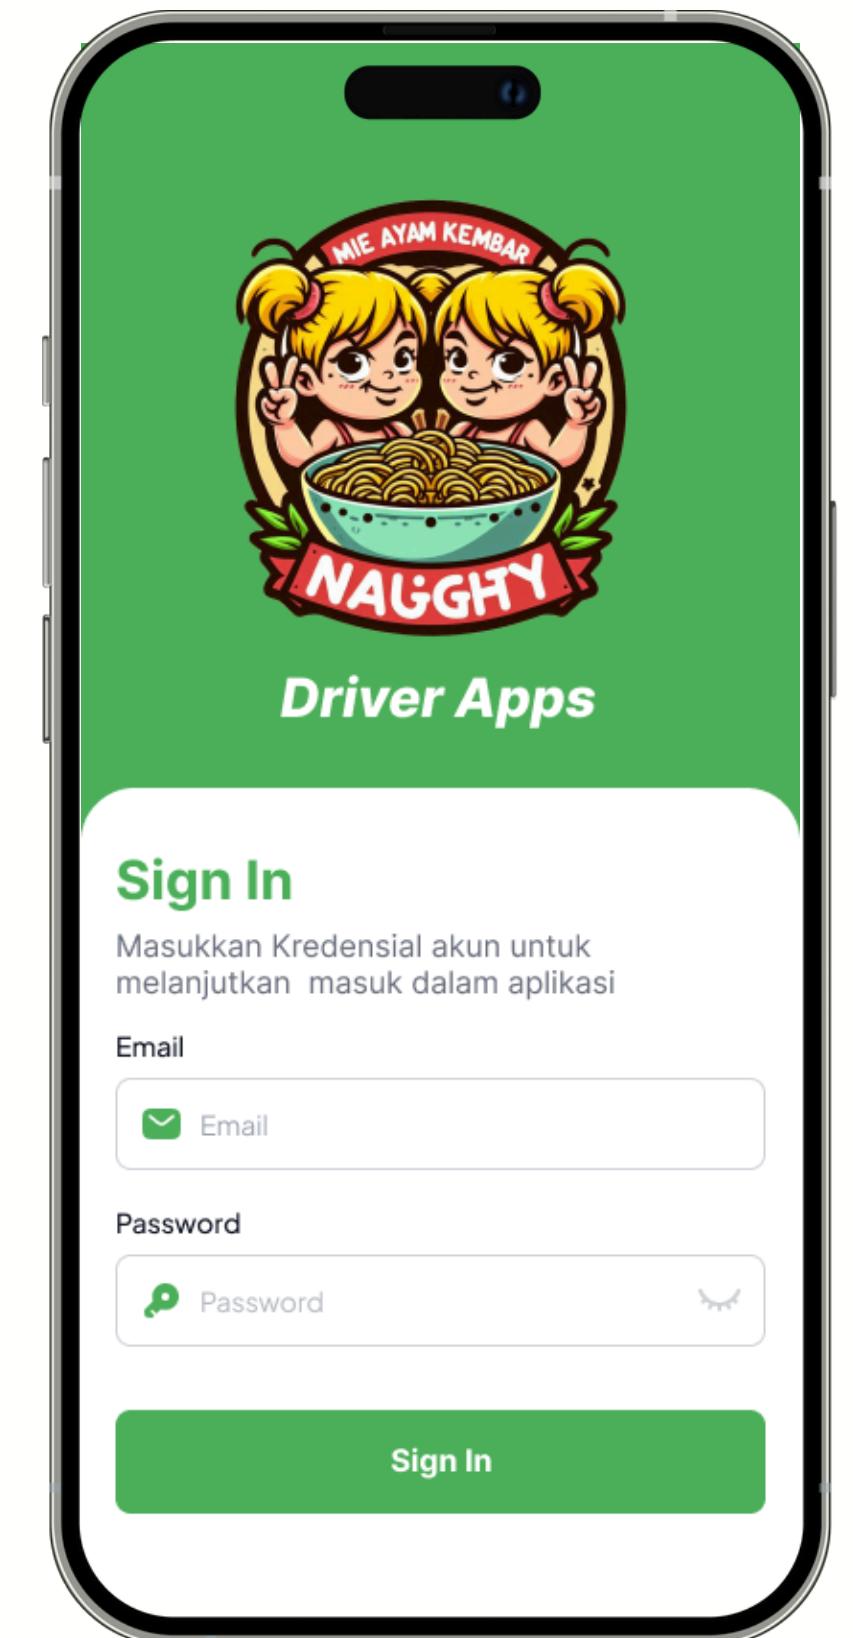

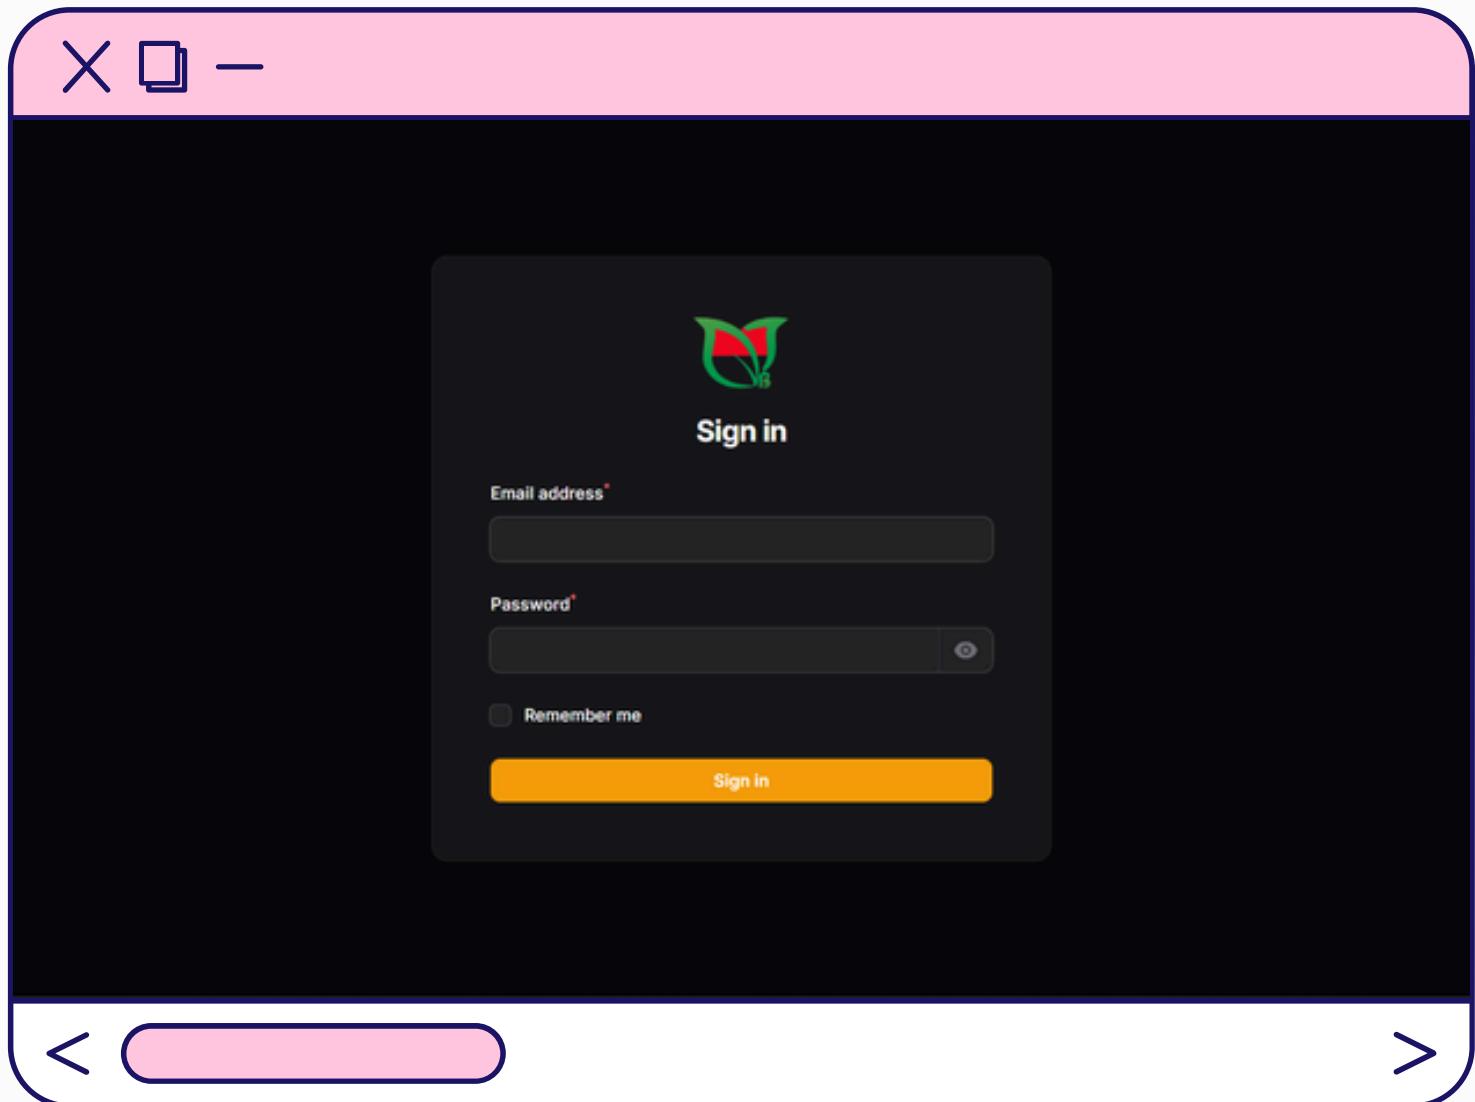

Driver App

Features

- Take delivery of order
- Update delivery status
- Travel route to customer's house

SIDE PROJECT

Waste & MoU Management

SIDE PROJECT

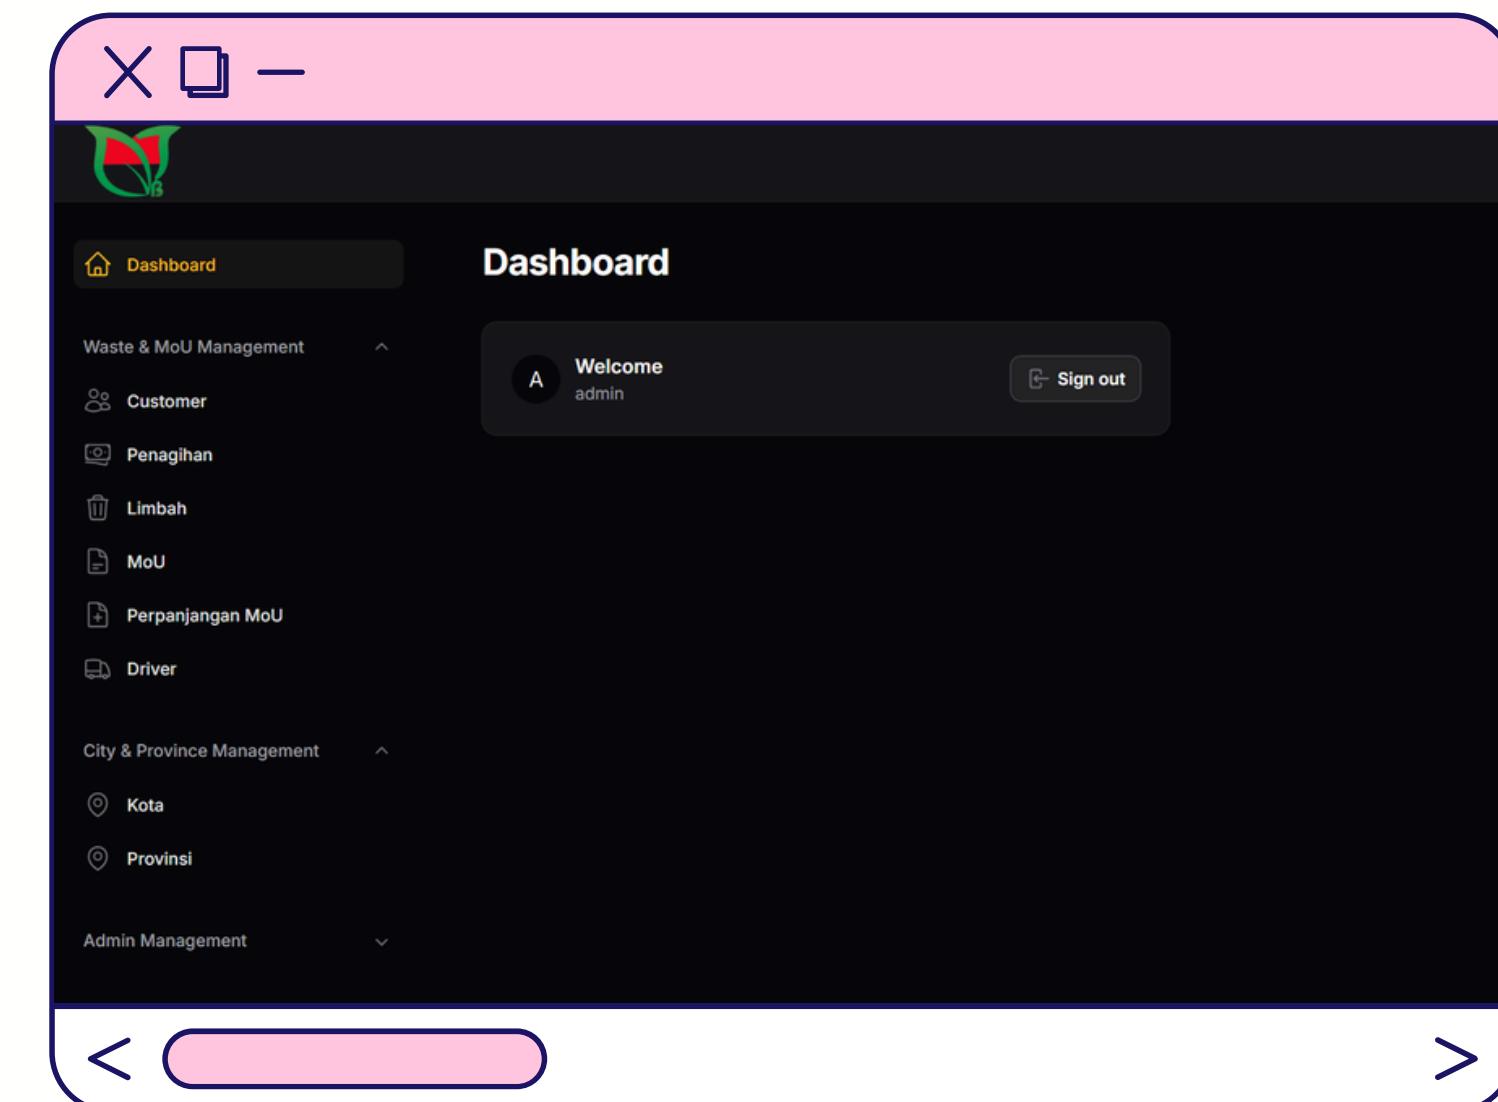

Waste & MoU Management

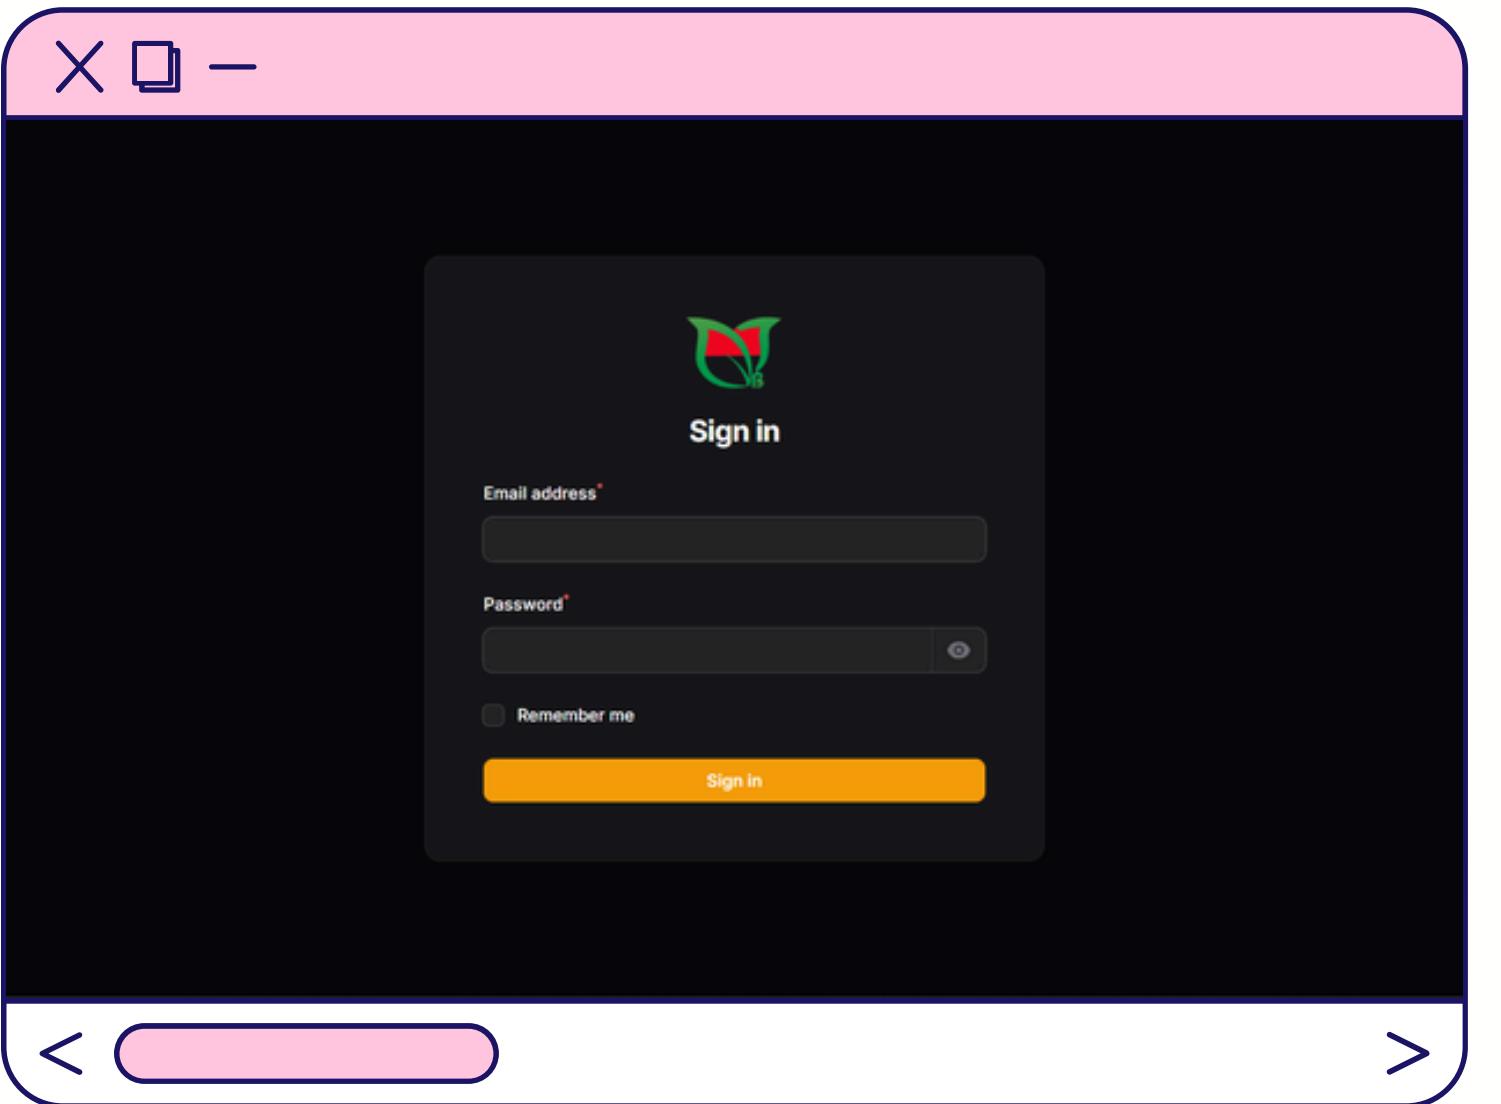

PT. Indonesia Lestari Group is a company engaged in the field of B3 Medical Waste Transporter founded by someone who is experienced in the field of drug distribution (pharmaceuticals), namely Mr. Budi Nuari Perdana S.E. This project is in the form of digitalization of all services provided including waste collection and MoU extension which can be accessed in just one platform. This project is still in the development stage.

A dark-themed sign-in window titled "Sign in". It features a logo of a green leaf and a red flower at the top. Below the title are fields for "Email address*" and "Password*", each with a corresponding input field. A "Remember me" checkbox is located below the password field. At the bottom is a yellow "Sign in" button.

A dark-themed dashboard window titled "Dashboard". At the top right, it shows a welcome message "Welcome admin" and a "Sign out" button. The dashboard is organized into several sections: "Waste & MoU Management" (Customer, Penagihan, Limbah, MoU, Perpanjangan MoU, Driver), "City & Province Management" (Kota, Provinsi), and "Admin Management". Each section has a corresponding icon and a dropdown arrow. At the bottom are navigation arrows: '<' and '>'.
